REVITALIZE WA

- With **347 ATTENDEES** registered for the conference in Vancouver, the 2023 event was our largest RevitalizeWA to date.

- Vancouver's Downtown Association applied to host RevitalizeWA in 2023, in part to provide an economic stimulus and bolster the resiliency of small businesses leading into a major downtown construction project, while also educating new business owners of the power and mission of the Main Street Program and related networks. We are proud to share that the conference had an estimated **IMPACT OF \$204,779** on Vancouver's local economy.

- For information on our 2024 conference, renamed as **PLACES** and taking place in Walla Walla on October 16-18, visit preservewa.org/conference.
