PLACE MEETS PRESERVATION MOIRA'S ITINERARY

MOIRA NADAL

**DIRECTOR OF PRESERVATION
PROGRAMS**

**WASHINGTON TRUST FOR
HISTORIC PRESERVATION**

As someone who splits time between advocacy and technical review, I'm always on the hunt for chances to learn more about resources for conserving and adapting buildings and new ideas for replicable case studies that could be useful to other communities.

Itineraries are generally focused on classroom sessions and mobile tours. Some itinerary writers have added special events and restaurants they're looking forward to. You'll also be able to catch them throughout the week at conference-wide events not included on these itineraries.

Please note: Mobile tours (denoted with 🚐) are separately ticketed—be sure to purchase tickets at registration if you'd like to join!
